Technical Skill

- Python
- HTML
- CSS
- JavaScript
- Bootstrap
- SQL
- Java
- C++

Soft Skill

- Leadership
- Decision making
- Communication
- Multi-tasking
- Problem Solving
- Team Player

Activities & Interests

- Coding
- Reading About Trending Technologies
- Travelling
- Connecting with People

About Me

As a dedicated Computer Science student, I possess a strong grasp of Python, C++, HTML, CSS, and JavaScript. My academic experience and practical projects have honed my problem-solving abilities and web development skills. With a keen interest in technology and a proactive learning approach, I am excited to launch my career in an entry-level role. I bring effective teamwork and a willingness to contribute to innovative solutions, making me a valuable asset to any tech team.

Education Background

- B.Sc. Computer Science
Meerut College, Meerut
2020-2023
- Senior Secondary (XII)
S.K.V. Vivek Vihar, Delhi 110095
2020
- Higher Secondary (X)
S.K.V. Vivek Vihar, Delhi 110095
2018

Academic Project

QuizNia | quiz web app
2023

github.com/Shiviiisingh/QuizNia

- As part of an academic team project, we collaboratively developed a dynamic Quiz Web Application.
- Tech Stack: HTML, CSS, JavaScript, SQL, PHP.
- Knowledge Acquired: Collaborative coding, database design, user interface considerations, teamwork, and project management within an academic setting.
- Achievement: The Quiz Web Application was well-received by users who appreciated its user-friendly design and instant feedback features. It served as a valuable learning tool and showcased our ability to create dynamic and interactive web applications.
